

Thrasher's Wellness Initiatives

What we are doing to ensure a safe concert experience

We want you to have confidence in your safety when you attend a concert at the Thrasher Opera House so that you can fully immerse yourself in the music instead of the worry. We feel it's important to give you as much information as possible about the things we are doing to ensure your safety.

- We ask that all patrons respect a proper physical distance staying 6-feet from anyone not in your group.
- Parties will be seated together at tables placed 6 feet away from other groups.
- We will be requiring patrons to wear masks at this time, masks will be available when you arrive.
- Employees will wear masks.
- Hand sanitizer available at each entrance, in each restroom and at your table.
- Signage reinforcing proper hygiene will be placed throughout the space.
- Cash-free methods of payment available and encouraged.
- Other efforts to reduce touchpoints will be implemented, and any touchpoints that remain will be sanitized.
- Intermissions will be eliminated to prevent congregating until further notice.
- Safe spacing for any wait lines will be clearly marked on the ground (Box office, bar, restrooms).
- The bar will be open and our bartender will wear a mask, there will be cocktail service during the show – so you don't even have to leave your seat!
- We are considering all recommendations provided by the CDC and U.S. public health officials.
